

# EAST PRAIRIE MULTIMEDIA

If you are interrupted by a security issue on some models of smartphones or tablets, please follow these steps to connect to our live stream:

1. Using your Internet web browser, go to [www.eastprairie.org](http://www.eastprairie.org) (our homepage) (by clicking on the link above).
2. Scroll down the long web page until you see the title “Live Streaming Broadcast Link” as seen in the image below:

**Live Streaming Broadcast Link**

**Streaming of events LIVE from the East Prairie R2 School District**

Click the following link to view our EAST PRAIRIE EAGLES BASKETBALL streaming broadcast: [Click Here to receive the Live Streaming Broadcast](#)

Once the link has opened, click the center 'Play arrow' button on the player to begin viewing our broadcast.

3. Underneath that title you will click on the “ [Click Here to receive the Live Streaming Broadcast](#)” link
4. The message “Your connection is not private” may appear, as seen in the image below.

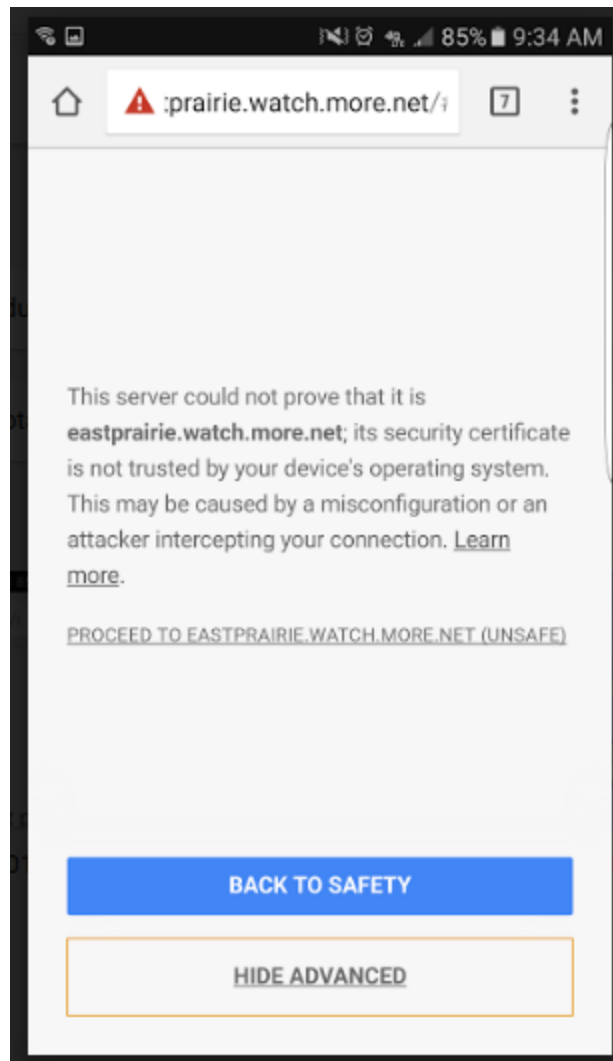

5. To continue to the Live Stream, please click on “ADVANCED.”

6. Then, you may see a confirmation screen similar to the one below, where you will click on “[PROCEED TO EASTPRAIRIE.WATCH.MORE.NET \(UNSAFE\)](https://eastprairie.watch.more.net)” (as seen in the image below). Our Live Streaming is hosted by the

University of Missouri’s ‘MOREnet,’ who has supplied Internet to hundreds of public libraries and public school districts all across the State of Missouri for the

past 25 years. It is safe.

7. You should now be able to see our Live Streaming Broadcast of the event of the day. Thanks for watching.
